

YIFM Mission Statement

Our Mission

Developing Skills, Talent and Creativity through film and media production

YIFM Values

Young Irish Film Makers is Developmental:

YIFM provide youth led programmes for personal and future skills development.

Young Irish Film Makers is a Community:

Our work is done within a 'family' atmosphere where young people feel safe, supported and at home.

Young Irish Film Makers is Voluntary:

Young people work and learn with us because they want to, not because they have to.

Young Irish Film Makers is an Equal Partnership:

We work together with young people. They are our colleagues.

Young Irish Film Makers is an Experiential Learning Centre:

Our young people are personally involved in their own learning experience and develop a deep sense of ownership, responsibility and autonomy.

How we work

YIFM staff respect young people and put their developmental needs first

We constantly strive to deliver unique and engaging workshops and programmes

We encourage and support innovation amongst young people.

Teamwork and collaboration between staff and young people are key to our success

We're not afraid to make mistakes! That's where the learning happens.

Say thanks for a job well done!

We have FUN!

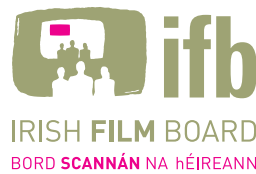

Our Vision

To provide a quality national service for the youth arts practice of film & digital media training and production for young people in Ireland.

Young Irish Film Makers is core funded by

National Youth Film School is project funded by
